Summary

Visit my portfolio: <https://www.ayannahill.com/>

I am a strategic IT and operations leader with 16+ years of experience driving organizational transformation, portfolio governance, and enterprise technology adoption across healthcare, logistics, and supply chain. My passion is helping organizations translate strategy into execution through Agile leadership, cross-functional collaboration, and change management.

Colleagues know me for building high-performing teams, simplifying complexity, and fostering alignment between executives, technical teams, and end users. I bring a balance of strategic vision and operational discipline, ensuring organizations achieve measurable outcomes in efficiency, compliance, and customer satisfaction.

As a PfMP Candidate, I am committed to continuous growth and advancing the maturity of PMO, business analysis, and delivery functions. My leadership approach emphasizes clarity, empowerment, and accountability, enabling teams to thrive in fast-paced, evolving environments.

Open to roles in Healthcare Tech, Supply Chain, and AgTech where I can contribute to portfolio leadership, transformation management, and enterprise solution adoption.
